# RELAXED COLORFUL ROMANTIC

Tilghman Island is a colorful destination for weddings, vacations and fishing adventures. Once on Tilghman you'll be a long way from everyday tensions and a short walk from spectacular waterfront dining. Here, seafood is treasured, sunsets are worshipped and time is forgotten. Nothing compares to life on an island. While things are laid back here, activity and shopping is a short 12 minute drive on Route 33 to St. Michaels.

Come by boat. Come by car. Stay for a while. We'll make you feel like family.
